
Step-by-Step Method: Selling Confidently & Naturally

STEP 1: Reframe the Way You See Selling- The best way to not feel salesy is to simply have a conversation that leads to you helping them

What did I make you feel when me and you were having a conversation on live?

Goal: Replace fear with purpose.

- Journal prompt: *"What am I really offering people? What transformation or solution am I giving them?"*
- **Understand:** Selling is helping. You're not begging, you're serving.
- Use affirmations:
    - *"I attract clients who need what I have."*
    - *"My offer is a solution to someone's problem."*

STEP 2: Identify Your Ideal Customer's Pain Points

Goal: Sell the solution, not the product.

- Ask:
    - What are they struggling with every day?
    - What are they tired of dealing with?
    - What do they want more than anything?
- **Tip:** Use real language, not fancy words. Speak like your client would. Use boo, babe, love. Bro or whatever they relate too.

STEP 3: Use the 4-Step Content Sales Framework

Goal: Create content that *leads to the sale without pushing it.*
Framework:

1. **Hook** – Grab attention with a relatable problem or bold statement.

🔥 HOOK FORMULAS (Universal Plug-and-Play Style)

---

1. "No one talks about [relatable struggle]…"

👉 *No one talks about how hard it is to stay consistent when life is lifin'.*

---

2. "If you're [doing this thing] but still [undesired result] — read this."

👉 *If you're posting every day but still not making sales — read this.*

---

3. "I used to [struggle], until I learned how to [solution]."

👉 *I used to be scared to sell, until I learned how to write captions that convert.*

---

4. "The real reason you're not [desired outcome] isn't what you think."

👉 *The real reason you're not getting sales isn't your price. It's your messaging.*

---

5. "You don't need [common advice]. You need [unexpected truth]."

👉 *You don't need more followers. You need more clarity.*

---

6. "Here's what I wish I knew before I started [insert journey]."

👉 *Here's what I wish I knew before I started selling digital products.*

---

7. “Everyone says [generic advice]... but here’s the truth.”

👉 *Everyone says ‘just be consistent’... but here’s the truth.*

---

8. “You’re stuck because [hard truth].”

👉 *You’re stuck because you keep trying to be perfect instead of being real.*

---

9. “[Bold claim]. And no, I’m not exaggerating.”

👉 *I made $2K from a single post. And no, I’m not exaggerating.*

---

10. “This one mindset shift changed everything for me.”

👉 *This one mindset shift changed how I show up, post, and sell every day.*

---

11. “If you’re tired of [problem], try this instead.”

👉 *If you’re tired of low engagement, try storytelling instead.*

---

12. “[Insert number] mistakes I made when I started [thing].”

👉 *3 mistakes I made when I started selling online.*

---

13. “Before you [action], do this first.”

👉 *Before you post your next offer, make sure you do this first.*

---

14. “Stop doing [common action]. Start doing [better strategy].”

👉 *Stop copying content. Start connecting with your audience.*

---

15. “Let me guess… you’re doing [action] and hoping for [result]?”

👉 *Let me guess… you’re showing up daily and hoping the sales roll in?*

2. **Story** – Share a personal experience, client win, or relatable moment.
3. **Solution** – Talk about how your offer (transformation) helps.
4. **Call to Action (CTA)** – Tell them exactly what to do next.

Example Post Template:

“I used to [insert struggle your audience relates to].
Then I tried [your offer or method] and everything shifted.
Now I [insert transformation or win].
If you're ready for the same change, DM me ‘READY’ and I’ll send you the info.”

STEP 4: Master the CTA (Call to Action)

Goal: Guide your audience to take the next step.

- Use clear, warm language:
    - *“DM me ‘info’ if this sounds like you.”*
    - *“Click the link in my bio to get started today.”*
    - *“Tag a friend who needs this!”*
    - *“Follow for more tips”*
- **Rule:** One CTA per post! Keep it simple.

STEP 5: Selling in the DMs Without Being Pushy

Goal: Convert with confidence & care.

- **Start the convo:**
    - *“Hey! Thanks for reaching out. Tell me more about where you are right now—what are you hoping to accomplish?”*
- **Ask questions > Pitch:**
    - Ask: “What’s been the biggest thing stopping you?”
- **Bridge the gap:**
    - “Got it. That’s exactly what my [product/service] helps with.”
- **Close:**
    - “Are you ready to get started?” or
    - “Want me to send over the link so you can dive in?”

STEP 6: Assignment – Record & Post Your 1-Minute Anti- Sales Video

Goal: Practice pitching naturally on camera.
Video Structure Template:

1. **Start with a pain point** – “If you’ve been [struggle], you’re not alone.”
2. **Share a quick win/story** – “I’ve helped people [result] and I want to help you too.”
3. **Explain your offer** – “That’s why I created [name of offer], to help you [benefit].”
4. **Clear CTA** – “Click the link in my bio / DM me ‘INFO’ / Let’s get started today!”

Tips for Filming:

- Smile. Speak clearly. Show confidence.
- Record as if you’re talking to a friend.

- Use captions & keep it under 60 seconds.
- Don't aim for perfect—aim for real.

   "Now I [insert positive result], and I want the same for you."
4. **CTA:**
   "If you're ready for your transformation too, DM me 'GLOW UP' and I'll send you the details."

🧠 **Example:**

"I used to stress every week about paying my bills, even though I was always working.
Then I learned how to package what I already knew and turn it into an offer online.
Now I make money while spending more time with my kids—and I want that for you too.
DM me 'GLOW UP' if you're ready for your breakthrough 💻✨"

🧠 **Example:**

"Here's one thing that helped me double my reach on social media: I started talking about *why* I do what I do.
When people connect with your 'why,' they trust you faster.
That's just one thing I teach inside my community.
If you want to start building a real connection with your audience, DM me 'JOIN.' I'll send you the details."

2. **PAIN POINT (why this realization matters):**
   "This small shift changed everything about the way I [insert goal/area of focus]."

3. **SOLUTION (offer as the answer):**
   "I go deeper into this inside [insert your offer], so you don't waste time like I did."

4. **CTA:**
   "DM me 'FAST TRACK' if you're ready to stop overthinking and start taking action."

🧠 **Example:**

“I was today years old when I realized people don’t need *more info*—they need a clear plan.
I spent months collecting free tips and got nowhere. One clear step-by-step made all the difference.
That’s what I built inside my community—a place for you to get clear, take action, and win.
DM me ‘FAST TRACK’ if you’re ready to move different this year.”

🎥 FORMULA #4 – “Call Them Out (Lovingly)”

2. **TOUGH LOVE (bring awareness, not shame):**
   “You don’t need more time—you need more clarity, more support, and more action.”

3. **EMPOWER (offer solution):**
   “That’s why I created [insert offer]—to give you the structure and momentum to finally win.”

4. **CTA:**
   “If you’re tired of waiting for the ‘perfect time,’ comment ‘NOW’ or DM me to get started.”

🧠 **Example:**

“You say you want to leave your job, but you haven’t posted in weeks.
You don’t need a bigger following—you need a better strategy and more confidence.
I created this space to help you take that leap, with guidance and real accountability.
Comment ‘NOW’ or DM me if you’re ready to stop sitting on your potential.”

🎥 FORMULA #5 – “What I Wish I Knew”

2. **LESSON (share 1 piece of advice):**
   "Don't wait to be 'ready.' Clarity comes from action, not overthinking."

3. **OFFER (invite them in):**
   "That's the mindset we build inside my coaching community."

4. **CTA:**
   "DM me 'READY' if you're tired of holding yourself back."

🧠 **Example:**

"If I could go back to day 1, I'd tell myself to stop playing small.
You won't figure it all out before you start—but you'll never grow if you don't move.
Inside my membership, we move with clarity, confidence, and strategy.
DM me 'READY' if it's your time."
