LIVE STREAM SELLING SCRIPTS

25 minutes, timed parts. Read it once before you go live, then talk naturally.

TikTok LIVE

Before you go live: test your sound and light, write your pinned comment, and post a video earlier today saying what time you'll be live. TikTok LIVE needs your account to meet TikTok's LIVE requirements.

0:00–2:00 · 1. Opening hook: the paycheck pain

Hit the pain in the first seconds so people stop scrolling and stay.

SAY: "If you're tired of living paycheck to paycheck, don't scroll. Stay with me for 25 minutes."
SAY: "Payday comes, bills take everything, and three days later you're broke again. Sound familiar? Type ME in the comments."
SAY: "Tonight I'll show you how [who it's for] can [the result they get], so one income is never your only income again."
CTA: "Tap the screen a few times if you can hear me, and share this LIVE with one friend who needs it."
DO: Start talking straight away. Read out every ME you see.

2:00–4:00 · 2. Introduction

Say who you are and why they should listen.

SAY: "If you're new here, I'm [your name]. [One true line about where you started, e.g. I used to wait for payday too]."
SAY: "Here's the plan: first I'll show you the belief that keeps people broke, then how to break it, then something I made for you. Stay to the end."
CTA: "Follow me now so you don't lose this LIVE, and share it with one friend who is tired of being broke."
DO: Greet new joiners by name.

4:00–8:00 · 3. The destructive belief keeping you broke

Name the belief, break it, make them feel it.

SAY: "The thing keeping most people broke isn't money. It's a belief."
SAY: "'My salary is my security.' 'I need money to make money.' 'I'm not the business type.' 'Selling is begging.' Which one have you told yourself? Type the number: 1, 2, 3 or 4."
SAY: "Here's the truth: if someone can feed you, they can starve you. If one boss, one client or one paycheck controls your food, they control your life."
SAY: "So stop waiting to be fed. Create income for yourself, so nobody can starve you."
ASK: "Type I'M DONE if you're done living paycheck to paycheck."
DO: Slow down here. Read the comments out loud.

8:00–12:00 · 4. Teaching: your first step

Give real value so they trust you before you sell.

SAY: "Here's how to start creating your own income: [step 1]. [step 2]. [step 3]."
DO: Show it, don't just say it: [demonstrate your [what you sell] / show a real result / share your screen].
CTA: "Type YES if this is helping, and tap the screen so more people see this LIVE."

12:00–16:00 · 5. Showing the offer

Show exactly what they get, what it costs and how to buy.

SAY: "You can keep doing it alone, or I can hand you the shortcut. This is [offer name]."
SAY: "It's for [who it's for] who want to [the result they get]. You get: [what's included]."
SAY: "The price is [price]. That's less than [a real everyday comparison]."
SAY: "For people on this LIVE only: [LIVE-only bonus, only if it's real]."
CTA: "Don't wait for the next payday to change your life. tap the link in my bio or comment [KEYWORD] and I'll send it to you right now."
DO: Show it on screen. Pin a comment: "How to buy: [link in bio / comment KEYWORD]".

16:00–22:00 · 6. Answering comments + doubts

Every answer ends with a call to buy.

SAY: "Let me answer your questions." Read each comment out loud, then answer.
PREPARE:
• "How much is it?" → [price and payment options]
• "How do I get it?" → "tap the link in my bio or comment [KEYWORD] and I'll send it to you."
• "I don't have money right now." → "That's exactly why you need a second income. [payment plan or smallest first step]."
• "Is it for me?" → "It's for you if [who it's for]. It's not for you if [who it's not for]."
CTA every 3 minutes: "If you just joined: [one-line offer]. If someone can feed you, they can starve you. tap the link in my bio or comment [KEYWORD] and I'll send it to you now."

22:00–25:00 · 7. Strong close

One clear, urgent ask, then thank everyone.

SAY: "Two choices tonight. Close this LIVE and wait for the next payday, the same way you did last month. Or decide right now that you will create your own income."
SAY: "If you're choosing you: tap the link in my bio or comment [KEYWORD] and I'll send it to you right now. I'm counting down from 10."
SAY: "[Real deadline or limit, only if it's true]."
SAY: "Thank you for being here. If you bought, check your DMs for [next step]. Welcome to no more paycheck to paycheck."
DO: Count down out loud and read every buyer's name. Then follow up with everyone who asked but didn't buy.

0:00–2:00 · 1. Opening hook

Grab attention and give people a reason to stay.

SAY: "Hi, hi, welcome! If you're [who it's for] and you're tired of [the problem you solve], stay with me for the next 25 minutes, because I'm going to show you how to [the result they get]."
SAY: "Drop a 🔥 in the comments if you can hear me, and tell me where you're watching from."
DO: Start talking straight away. Don't wait for people to join; the replay and new viewers will catch up.

Say who you are and what this LIVE is about.

SAY: "If you're new here, I'm [your name] and I help [who it's for]. [One true line about your experience]."

DO: Greet people by name as they join. Every few minutes say: "If you just joined, welcome! We're talking about [today's topic]."

5:00–11:00 · 3. Teaching

Give real value so people trust you before you sell.

SAY: "The biggest mistake I see is [common mistake]."
SAY: "Here's what to do instead: [tip 1]. [tip 2]. [tip 3]."
DO: Show it, don't just say it: [demonstrate your [what you sell] / show a real before-and-after / share your screen].
ASK: "Type YES if this is helpful."

11:00–16:00 · 4. Showing the offer

Show exactly what they get, what it costs and how to buy.

SAY: "Now, I promised to show you something. This is [offer name]."
SAY: "It's for [who it's for] who want to [the result they get]. Here's what you get: [what's included]."
SAY: "The price is [price]. For people on this LIVE only: [LIVE-only bonus or offer, only if it's real]."
DO: Hold it close to the camera or show it on screen. Pin a comment: "How to buy: DM me [KEYWORD] or tap the link in my bio".

16:00–22:00 · 5. Answering comments
